# 1 Introduction

## 1.1 Revision History

Rel No	Date	Author/Change Agent	Revision Comments
R1	12.02.2011	Allan Ingle	Initial release
R2	12.13.2011	Allan Ingle	<ul style="list-style-type: none"><li>Renamed Section 4.5 from Configure the Properties Files to Configure the lbp.filter.properties File</li><li>Added Section 4.6 "Configure the default_settings.properties File"</li></ul>

## 1.2 Purpose of the document

This document provides supplemental information for upgrading to a higher patch of Lawson Budgeting and Planning 9.0.1x and should be used in conjunction with the Lawson Budgeting and Planning Installation Guide. The Lawson Budgeting and Planning Installation Guide supersedes this document. It is not intended to be used as the sole source for patching the application. If this document is in conflict with the Lawson Budgeting and Planning Installation Guide the instructions in the Lawson document should be followed. The intended audience of this document is Lawson System Administrators.

## 1.3 Notices, Disclaimers and Confidentiality

This document has been written at the request of National Heritage Academies as a means to document their processes and procedures as it relates to the use of the Lawson Budgeting and Planning Application.

Scientia Solutions LLC provides Lawson Based Consulting Services as an independent third party Entity. Scientia Solutions LLC is not affiliated with Lawson™ Software. Scientia Solutions LLC is not a Lawson Partner.

The material contained in this document may represent proprietary information pertaining to Nereus Consulting Group LLC's LBP implementation strategies. The material in this document may also represent proprietary information pertaining to National Heritage Academies (here after "NHA" or simply "the Project") and NHA's financial planning strategies. Reasonable care should be taken to protect this document and its contents.
